MAR BUSINESS MEETING
February 28, 2015 at 1:30 pm
Mount Laurel Church of God
1295 Piketown Road, Harrisburg, PA 17112

The next MAR annual business meeting will be held at a **NEW** location at the Mt. Laurel Church of God. The church is located at 1295 Piketown Road, at the intersection with Sleeping Hollow Road and Appalachian Trail, in W. Hanover Township, Dauphin County, Pennsylvania (just East of Harrisburg).

The meetings will be held in the Fellowship Hall located down stairs from the main church. The entrance to the hall is at the small handicap parking lot on the lower level of the church. Ample parking with snow removal is at the top of the hill across from the cemetery and the church. **PLEASE DO NOT PARK IN THE FIRE HOUSE PARKING LOT!**

A path up the steps and to the right side of the church leads down to the handicap parking lot and the hall entrance. Use the side entrance door, it will be marked “MAR”.

The MAR meeting attendees will have use of a large meeting room and clean modern bathrooms next to the meeting room. The facilities are heated and quiet, hopefully eliminating the problems some had hearing meeting discussions at the previous location. The rest of the hall will be off limits.

We do not have use of the kitchen, stairs, stage, or any equipment we do not own. Tables and chairs will be provided but we must set them up and take them down. Judi Stack will provide the tablecloths for the tables as well as signs for the recycling, trash, and entry door. Recycling containers for plastic bottles and aluminum cans will be placed by the exit. **PLEASE** use them to reduce the amount of trash that must be disposed of. These containers will be marked **RECYCLING** or **TRASH**. Everyone’s cooperation will be greatly appreciated!

Please don't forget to bring a covered dish for the after-meeting meal. A sign-up sheet is available to help MAR cavers plan for the event. The sign-up sheet can be found on the MAR website (http://caves.org/region/mar/busnmtg_foodsignup.htm). Please consider a dish that you wish to bring to the meeting to share with other hungry cavers. Also be sure to bring your non-alcoholic beverage of choice. Please Note: alcoholic beverages are **NOT** permitted on the church grounds.

Fall 2014 MAR Field Meet

Rupert Cave Preserve, McVeytown, Pennsylvania

October 10-12, 2014 By Karen Bange NSS 37636

Thanks to everyone for helping to make the 2014 Fall MAR such a great event. After all the planning and preparing, the only thing left to check off the to-do list was good weather for the event. The weather forecast the week of the event did not bode well. Fortunately Rupert magic kicked in and the weather trended up throughout the weekend!

On Thursday there were a few early arrivals. Barry Duncan arrived early to set up his store. Terrance Lovell was on site Thursday to set up the zip line. Ziggy Seager stopped by after work to set up the registration tent. Steven Millet and Thomas from Connecticut drove down early to get in some extra caving. Danny and Tina Lanciault, Jess Wilson and Dave Schropp from Commander Cody Caving Club arrived Thursday evening to set up for the CCCC Fall Sprawl. It was a gorgeous Thursday night complete with a full moon.

Setting up the zip line

Activity started early Friday morning with the arrival of 6 port a pots. Registration got organized, fall decorations were set out, and people started caving. Registration went smoothly thanks to the Schock gang. By early evening the breakeven point for the event was reached- whew! The weather held out as people

set up camp. Dana Schropp organized a fantastic Commander Cody group meal for their Fall Sprawl. Thanks to all the cooks, in particular Mike and Linda Mostardi, for the excellent spaghetti sauce and Leslie Woodward for the pasta cooked to perfection. Jose Martinez led a carbide trip into the front part of Rupert Cave Friday evening. Cave trip sign-up sheets went out at 10 pm. As one attendee commented, "all the premier caves in Central PA are open for the event." It seems everyone who wanted to cave got in on at least one trip. Thanks to all the trip leaders and landowners for making this possible.

There were two quarter kegs of beer Friday night; Lord Chesterfield and Yuengling Lager. It was a nice night to hang out by the bonfire and get into MAR mode. As predicted, the rain set in late Friday night. It was a good excuse to crawl into bed.

Friday Evening at the pavilion

By Saturday morning, the rain had stopped. Those staying on the surface enjoyed a pretty fall day. Besides caving, people enjoyed hiking, fall festivals, corn mazes, wineries, and state parks.

Auction Saturday afternoon

Everyone was back on site by late afternoon. Franklin County Grotto had an auction before the banquet. They auctioned off Ken Tayman's caving equipment. All proceeds went to Ken's widow. The banquet was catered by SalLee's Dream and was both delicious and plentiful. There were two half kegs of beer Saturday night; Lager and Black and Tan. Many excellent door prizes were given out after the meal; thanks to Gretchen Schock for all the door prizes. As expected, the 200 foot of cave rope donated by Highline Ropes went first. Chris Nicola was the guest speaker. He gave an outstanding presentation on the ongoing saga of a Jewish family's survival during World War II by living in a cave in Ukraine. It's truly an amazing story.

Saturday dinner around the bon fire

Sunday morning was clear and bright. The Pennsylvania Cave Conservancy pancake breakfast was a big success. For the first time in the event's history, there were over 100 tickets sold for the breakfast. The PCC meeting followed breakfast. By midafternoon, everyone was packed and heading off site. People continued to enjoy the beauty of Central PA on the way home by hiking and caving.

The final registration count: 195. It was a great fall MAR!

Hosts Needed For The 2015 Spring and Fall MAR!

As of January 2015 there is no grotto, or individual, slated to host the 2015 Spring or Fall MAR. If you are interested in hosting one of these events, a helpful guide to hosting a MAR field meet can be found on the MAR website. Think about it - can you or your grotto host the event? If there are no volunteers there will be no field meet. If you're interested in hosting the event, please contact a MAR officer.

Fall MAR 2014: The Seven Valleys Grotto hosted the 2014 Fall MAR field meet. Red Schock reported that the unofficial attendance was 195 cavers. Thank you to all those who helped to make the event such an outstanding success! It would not be possible without the help of so many wonderful friends and fellow cavers. A special thanks to the Banges for the use of their property and all their hard work before, during and after the weekend!

NEW BUSINESS:

Loss of a friend: The caving community lost a good friend and active member in Ken Tayman of Franklin County Grotto, who passed away unexpectedly on June 3, 2014. Dean Snyder moved and Kim Fleischmann seconded to adjourn the meeting. The meeting was adjourned at 10:48 am.

Respectfully submitted,
Gretchen (Red) Schock, Recording Secretary

Does Your Grotto Have A Youth Group Liaison?

We are asking all NSS Grottos to evaluate their role in getting local youth groups into a safe and ethical caving activity.

Do you have, or are you a caver with a connection to a youth organization? Have you taken a youth group caving? Have you given a cave talk to a youth group? You should consider the value of having a **Grotto Youth Group Liaison** position. A person, a point of contact for youth groups to contact for information about caving in your area.

What would your Youth Group Liaison do? You decide. It's up to each individual Grotto or Youth Group Liaison to decide what type of and how much of a commitment you can give to helping local kids learn about caves and caving the right way.

Are you already doing this? Do you want more information to do more? Let me know. I'd be very happy to listen to your stories about good times and challenges. If you need help, let me know. The Youth Group Liaison Committee is here to help.
